

Rotary District 7980 Service Above Self Scholarship

The District 7980 Service Above Self Scholarship is based on character, service and an innate ability to help foster Service Above Self through the ideals of "Service above Self". The program sponsors scholarships for undergraduate and graduate students as well as for qualified professionals pursuing vocational studies. Uniquely, these scholarships are offered to candidates sponsored by local Rotary clubs for studies domestically. We intend to offer these scholarships to our best and brightest scholars to enhance in most cases their undergraduate educational endeavors. We do expect these scholars to serve as goodwill ambassadors to the host districts and give presentations about their local Rotary clubs and the opportunities created by the Service Above Self scholarship. Upon completing the scholarship and returning to their home community, scholars share with Rotarians and others the experiences that led to a greater understanding of Rotary's mission and the opportunities that have been created by their being chosen to receive a scholarship. **The scholarship is valued at up to \$10,000. There is a May 1st deadline. More information is available at rotary7980.org. or call Branford Rotary president, Alpha Coiro, at 203/503-1829.**
